### PROGRAMS

**PRE-CHILDREN'S HOUSE:** 8:30 - 11:45 a.m. Pre-Children's House offers a 3 (M-W), 4 (M-Th, for younger siblings of 4K students only) or 5 day (M-F) program. **Preference will be given for enrollment for 5 day applicants.** This program is for children who are 18 to 36 months old and are ready for an enriched and academic setting. The environment and curriculum are developmentally appropriate and have been designed to prepare the students to transition into one of the Children's House classrooms.

**CHILDREN'S HOUSE:** 8:30 - noon. This academic program is offered to children ages three through six years old. Children must be using the restroom independently. All areas of the Montessori curriculum are presented, including practical life, sensorial, mathematics, language and cultural studies. Spanish and music instruction are provided once per week and violin instruction is provided twice per week. District sponsored 4K is a part of this program with times of 8:15 to 11:45 a.m. Monday through Thursday.

**CHILDREN'S HOUSE EXTENDED DAY:** 8:30 a.m. - 3:00 p.m. The Extended Day program is for those children who are ready for an extension of the morning work in the Children's House. Enrichment activities include instruction in Spanish, music, art and physical education. This is for five and six year olds who will be entering first grade the following year. The program most closely resembles 5K in other schools, however the MSOW curriculum exceeds that traditional definition.

**ELEMENTARY PROGRAM:** 8:15 a.m. - 3:15 p.m. The elementary program follows the Montessori philosophy for education including: language, math, geometry, botany, zoology, geography and history. On select afternoons, lessons are also included in the following areas: Spanish, music, art and physical education. Multi-age classes are comprised of Lower Elementary (grades 1 – 3) and Upper Elementary (grades 4 – 6). Computer instruction begins in Upper Elementary. All elementary students participate in an environmental education program, which integrates classroom studies with practical experience. This program is included in tuition and during that week, the off-site program is the exclusive location for the elementary curriculum. Grades 4-8 may also elect to take French and band.

**MIDDLE SCHOOL:** 8:00 a.m. - 3:15 p.m. The Middle School, grades 7 and 8, builds upon the Montessori elementary program. The rigorous academic program includes work in core curriculum areas, as well as music, art, Spanish and physical education. The students further develop skills necessary to be successful in competitive high school environments. Middle School students practice a greater degree of self-reliance, autonomy and community building. On occasion, the program requires off-campus opportunities for learning, which may include overnight stays at additional cost.
